EDUCATION

Tashkent University of Information Technology

Information Security - 9.2/10   2023 - 2027

Najot Ta'lim Learning Center

BootCamp Foundition & Full-Stack Developer (Node.js + React.js + Next.js)   2024 - 2025

PROFESSIONAL EXPERIENCE

ONLINE EDUCATIONAL CENTER SEARCH PLATFORM

React JS, Tailwind CSS, Redux, Express JS, MongoDB, Yup, JWT, Ant Design, React Hook Form

- Implemented a complete authentication and authorization system, including route protection and role-based access.
- Applied security best practices to ensure user data protection.
- Designed scalable backend logic for managing users and educational center resources.

NFT MARKETPLACE

Next JS, Tailwind CSS, Redux, Ant Design, Nest JS, PostgreSQL, JWT, Tanstack Query, Prisma, Yup

- Allow users to mint (create), buy, and sell NFTs.
- Enable secure payments through cryptocurrencies (e.g., Ethereum, Solana).
- Store NFTs safely and verify transactions using blockchain technology.

NASIYA FOR SHOPS

React JS, Tailwind CSS, Redux, Ant Design, Nest JS, PostgreSQL, JWT, Tanstack Query, Yup

- Provides customers with the ability to purchase products on installments.
- Helps shops increase sales and attract more customers.
- Ensures a secure and manageable payment process.

SKILLS

- **Programming Languages**: JavaScript, TypeScript
- **Backend Frameworks**: Express.js, NestJS
- **Frontend Frameworks / Libraries / Technologies**: HTML, CSS, React.js, Next.js, Axios, Fetch
- **Animations**: Framer Motion, GSAP
- **UI / Styling**: TailwindCSS, Ant Design, Shadcn UI, Material UI (MUI), Bootstrap
- **State Management**: Redux, Zustand, React Query (TanStack Query), SWR
- **Form Handling**: React Hook Form, Formik, Yup (validation)
- **Databases**: MySQL, PostgreSQL, MongoDB, Oracle
- **ORM / ODM**: TypeORM, Sequelize, Mongoose
- **Platform**: Node.js
- **Architecture**: Microservices, REST API, VS Code, Postman,
- **DevOps / Deployment**: Docker, Docker Compose, CI/CD (GitHub Actions, GitLab CI)

LANGUAGE

English (B2 – Upper Intermediate)

Russian (A2 – Elementary)
